

# Farm Paints that work as hard as you do.

Paint Tech Hamilton is NZ's leading supplier of Farm and Fence paints. Specially formulated for Long lasting, hard wearing and mould resistance which puts our paint well ahead of the competition while remaining competitively priced.

- **WATER BASED EASY CLEAN UP**
- **STRONGER LONGER LASTING COLOURS**
- **RESISTANT TO MOULD AND LICHEN GROWTH**
- **SEMI GLOSS FINISH FOR EASY CLEAN**

The popular "Farm Black" was designed specifically for Stud Farm Post and Rail fences and has been used by many of the largest working stud farms in the Waikato and South Auckland regions.

Our Farm Paints contain twice the mould inhibitor (Biocides) gloss factor and pigment strength than our competitors paints. We also use higher quality, longer lasting resins and binders so the paint goes on more efficiently and stays on longer.

### ARTISAN PAINTERS

Paint Tech Hamilton is partnered with professional services Artisan Painters and Waterblasters Ltd. Artisan Painters is a company well known in and around Auckland for their impeccable quality, consistency and affordability. Westbury Stud has used their services and here's what they said....

*"I am Craig Baker, Operations Manager at Westbury Stud. Part of my role is to oversee farm maintenance. In 2013, after testing a few paint companies and their products, I decided to offer the job to John from Paint Tech. The reasons for this are:*

- Competitive price
- Professional to deal with
- Sound knowledge base
- Good communicators
- Excellent sales service

*We are really pleased with the finished product and would not hesitate to use Paint Tech again."*

CRAIG BAKER  
OPERATIONS MANAGER, WESTBURY STUD
